

Payments & Refunds

- Payments must be made in advance or on receipt of an invoice.
- Our sessions carry on in all weathers, excepting those considered to pose an adverse risk, such as high winds or thunderstorms (please see our weather policy). In such an event, the session will be rearranged.
- If the session leader has to cancel due to illness or unforeseen circumstances then the session will be rearranged.
- Refunds are not given for child illness or no shows.
- Cancellation with expectation of a refund for a session must be made at least 10 days before the start of the booked session to allow enough time for others on the waiting list to be given the opportunity to attend. There are no refunds given for individual sessions missed during a block booking.
